NEWSLETTER #8 – WEEK 5, TERM 2: THURSDAY 26 MAY 2016

MESSAGE FROM THE PRINCIPAL:
Dear Parents, Children & Friends,

On Sunday 29th May at 11am, 51 children from our school community will be receiving the special Sacrament of Holy Communion. All of our Year 4 students were involved in a Reflection Day on Tuesday. This Sacrament forms a significant milestone in the faith journey of our children. We ask you to keep the Year 4 students, their families and teachers in your prayers.

On Wednesday 1st June 2016, the school will participate in a special LifeLink Day project. Archbishop Timothy Costelloe has invited all primary schools to make a linked chain on this day. The chain will represent everyone joining together to help those in need within the Perth diocese.

Each student is invited to sponsor a link or links by way of a gold coin donation. The whole chain will be linked together and will weave its way through the entire school. I’m sure it is going to be a great sight and a lot of fun.

On Wednesday 8th June, I will join with our school leaders to attend the official Life Link Day Launch at Lake Monger Reserve. Our school LifeLink chain will be joined together with other Catholic School chains, this will be a powerful and visual example to the young people in the community as a symbol of joining together as one to help others in need.

Congratulations to all of our Year 5 and 6 students who took part in last week’s Lightening Carnival. Their sportsmanship was a credit to the school and their families.

God Bless

Greg Green
Principal

Limited Places Available for Kindy 2017
If your child is eligible for Kindergarten in 2017 – that is children who are born between 1 July 2012 and 30 June 2013, and you wish for him/her to attend St Anthony’s, please complete an enrolment form ASAP. Forms are available from the school office or on the School Website.
SCHOOL FEES

Semester One fees are now overdue. Families experiencing difficulties with payment are encouraged to contact Greg Green, Principal or Gina Hall, Finance Officer. Thank you to those families who have contacted us.

Three Year Old Kindergarten fees are now overdue and need to be paid immediately. This tuition is fully funded by parents and therefore prompt payment.

ABSENT STUDENT NOTIFICATION

As part of our school's duty of care you will be notified of your child's absence from school via SMS. In order for this to run smoothly we ask of parents/guardians to:

a) Phone the school office on 9294 5500 by 8.30am if your child/ren will be absent or late arriving to school. If you have not notified the school office or class teacher you will be notified via SMS of their absence. You will need to follow this up with a written note to the OFFICE, or an email sent to admin@stanthonyssgreen.wa.edu.au

b) “Sign In” their child/ren at the school office if they have arrived late to school.

c) “Sign Out” their child/ren at the school office if your child/ren need to leave school (e.g. for appointments with doctor, dentist etc.) and then “Sign In” when they have returned.

d) Notify the school of any changes to contact details including changes to emergency details and medical conditions.

Thank you in advance for your support in this matter.

SCHOOL CAR PARK

Parents, Grandparents and Carers are reminded that the school car park is “One Way ONLY”. Please ensure that you follow the direction of the painted arrows in the car park and abide by the “No Entry” signage. Cars should not be parked in the Pick-up and Drop off Zone as this affects the flow of the carpark right back onto Innamincka Road, especially during school drop off and pick up times. If you require to leave your vehicle to enter the school, please park your vehicle in one of the parking bays. If we all work together this will ensure that the car park will run smoothly and safely for all families.
FIRST HOLY COMMUNION

51 children from our school community will receive the special Sacrament of Holy Communion this Sunday 29th June at 11am. This Sacrament forms a significant milestone in the faith journey of our children. We ask you to keep the Year 4 students, their families and teachers in your prayers. Please check separate notes which have been sent out regarding this special event.

A Reflection Day was held on Tuesday for all children in Year 4 and we sincerely thank all those parents who were able to help on the day.

SCHOOL MASSES

Monday 13th June @9.00am: St. Anthony of Padua Feast Day
A separate note regarding all the events planned for St. Anthony's Day will be distributed in the coming weeks.

CLASS MASSES

Friday 10th June @9.00am: Year 4 classes to attend
Friday 17th June @9.00am: Years 1 and 2 classes to attend
Friday 24th June @9.00am: Year 5 classes to attend

Archbishop Costelloe SDB has warmly invited primary schools in the Archdiocese of Perth to join together to participate in this special project for LifeLink Day 2016.

Students are invited to make a gold coin donation for LifeLink Day, and with the help of their teachers, will make a ‘paper link’ to represent their generous support for people in need in the community. These links will then form part of a chain which each class will produce. On Wednesday 1st June, the school will join together and ‘link’ individual class chains, making one long chain throughout the school. There is no limit to how many individual links each student may wish to sponsor by way of a gold coin donation. The students are invited to give their donation to the class teacher by Friday 27th May, so that the ‘links’ can be prepared before the following Wednesday.

HOW LONG WILL OUR SCHOOL’S CHAIN BE?

The school leaders, together with Mr Green, will attend the official Life Link Day launch on Wednesday 8th June. Representatives from all Catholic schools will meet at Lake Monger Reserve to join all the school chains together, a powerful and visual example of our young people joining together to help those in need.

BOOK SALE

Year 2B will be holding a Book Sale on St. Anthony’s day (Monday 13th June) to raise money for the missions. Any donations of children’s books would be greatly appreciated. Please drop them off in 2B class. With thanks.
LIGHTENING CARNIVAL

Last Friday the Year 5 and 6 students participated in an all-day carnival in footy, soccer, netball or volleyball. It was a no score carnival so there are no results to report but with wonderful weather and behaviour to match it was a great day. Many thanks to the teachers, parents, grandparents and older siblings who helped with coaching and umpiring.

INTER SCHOOL SPORT

This begins this Friday against Middle Swan here at St Anthony's. Watch this space for results.

FOOTY CLINIC

The Year 6 classes have completed a 3 week clinic run by Swan Districts. Thanks to Christian for his great coaching.

The Real Definition of Courage

By Rebecca Perkins (Author)

We take so much of our strength and resilience for granted. Courage isn’t about being a battle-ready soldier; some days there is courage in saying, “tomorrow is another day”. We show courage on a daily basis because our lives and the lives of those we love matter to us.

When we feel deeply passionate about something, we find courage easily — for example we find superhuman strength to protect our children. So let us find that same passion and courage for ourselves, trusting that whatever our circumstances are right now (and regardless of whether we feel

+I’ve kept the quote by Mary Anne Radmacher close to my heart, “Courage doesn’t always roar. Sometimes courage is the silent voice at the end of the day that says ‘I will try again tomorrow’.”

I’ve been called courageous, resilient and brave many times in my life. (I’ve also been called naive, foolish and crazy!) I want to put the record straight. We are all courageous, I am no different to you. I was asked one day by a friend, “how to you do it? I just don’t have your courage.” I thought about it when I got home, I didn’t see myself as particularly courageous, but it got me thinking about the meaning of courage and what it meant to me and I wrote down these thoughts in my journal:

- Courage is saying sorry
- Courage is knowing when to say ‘enough’
- Courage is saying I love you
- Courage is saying yes
- Courage is saying no
- Courage is being truthful with oneself
- Courage is knowing that we screwed up
- Courage is admitting we can’t cope alone
- Courage is letting go
- Courage is reaching out
- Courage is standing up for something we believe in
- Courage is burning our boats and never going back
- Courage is doing something new
- Courage is being willing to receive
- Courage is trusting someone again
- Courage is choosing love over fear
- Courage is standing up for oneself
- Courage is choosing to truly live
- Courage is learning to love again
- Courage is believing in oneself for the first time
- Courage is being vulnerable
- Courage is breaking with tradition
- Courage is asking for help
- Courage is stopping to rest
- Courage is letting the tears flow
- Courage is continuing through adversity
- Courage is trusting that all will be well

Do you see? We are ALL courageous in our own way.

PARENT WORKSHOP

ABOUT THE WORKSHOP
This workshop is a must for all parents and carers. This comprehensive training workshop has been designed to teach parents the content of the internationally acclaimed Protective Behaviours Child Safety Program to increase their children’s personal safety.

There are many ways of talking to children about their personal safety and when we do so, it is important that we do not scare them or leave them feeling unsafe, afraid or disempowered.

Protective Behaviours provides children with strategies to keep themselves safe and cope with situations that threaten their well being such as bullying, child abuse & domestic violence. The program empowers the individual with the right to feel safe and sets out ways in which they can gain the appropriate help when they are not feeling safe.

THE PURPOSE OF THIS WORKSHOP
1. To provide parents and carers with a basic understanding of child sexual abuse and other unsafe situations.
2. To provide specific personal safety training skills, techniques and examples to use with your children.
3. To lessen your anxiety about your children’s safety, so you can allow them the freedom of movement they need as they grow up.
