Special concessions and other discounts

1. The Principal may receive requests for special fee concessions and discounts from parents due to a variety of circumstances.
2. The Principal may determine an appropriate fee concession after considering the parent's financial capacity to pay, the school's financial position and the approved budget for special fee concessions.

Fee Collection Process

1. Under no circumstances can a child enrolled in a school be refused on-going enrolment because their parents have not paid fees.
2. Principals must ensure school's fee procedures for fee collection are consistent with the process within the CECWA School Fees Directives.
3. Schools must facilitate multiple ways and frequencies for parents to pay e.g. debit card, credit card, direct debit or bank transfer; and weekly, monthly, per term or yearly.
4. The recovery of overdue fees must be approached pastorally and sensitively, particularly if this involves legal action.
5. Principals must keep comprehensive documentation of each attempt to resolve the problems of overdue fees.
6. The following actions should be taken when collecting overdue fees:
 1. A written communication must be sent to the parents, bringing to their attention the overdue balance.

2. Should there be no response within 14 days, the school should contact the parent/s by phone to discuss the overdue fees and payment options.
3. If an arrangement to discuss the overdue fees cannot be made, or no action results after another 14 days, a formal registered letter from the Principal should be sent to remind parents of their financial obligations. This letter should include an invitation to discuss the matter with the school and a specified timeframe for a response.
4. Should there be no response or action within 14 days of the letter (*Letter 1: Fee Obligations*), the Principal must send a formal registered letter with a final notice. The letter should seek payment and outline the possible outcomes if payment is not received within the specified timeframe. This could include legal action.
5. Should there be no response or action within 14 days of the letter (*Letter 2: Final Fee Notice*), the Principal may engage the services of a debt collection agency or a solicitor to recover overdue fees and any additional costs.
6. If the debt collection agent is not successful in contacting the parents or in establishing a debt repayment plan, the Principal may consider initiating court proceedings. Before this is done, the Principal shall inform in writing the Executive Director of CEWA.
7. Before any enforcement proceedings are taken, the Principal must obtain written approval from the Executive Director of CEWA.
